

## COAST MENTAL HEALTH

*Coast promotes recovery of persons with mental illness.*

### CAREER OPPORTUNITIES

*A Rewarding Career in Improving the Lives of Those with Mental Illness*

#### **Why Work at Coast Mental Health?**

We are a large and well established non-for-profit organization providing services and support to people with a mental illness since 1974 in greater Vancouver area. As one of the leading providers in community based mental health and being accredited by CCHSA, Coast Mental Health is an exciting, high energy workplace.

Coast operates five different levels of housing programs and a Clubhouse program. In the 90's we developed the Mental Health Resource Centre expanding it's services to arts, recreation, peers support, and a wide range of vocational services.

We invite you to learn more about current job openings, our generous benefits and what our enthusiastic employees think about working at Coast Mental Health.

#### **Benefits:**

Coast offers a comprehensive benefits plan including a variety of options for extended medical, dental, long term disability insurance, life insurance, pension, Employee, Family Assistance program and tuition reimbursement . We have a generous time off plan including vacation, sick days, and personal days.

Casual Staff receives a percentage of their salary in lieu of benefits. Casual Staff can participate in the Employee and Family Assistance program.
